## GOAL No. 5: GENDER EQUALITY

Anna, Chiara, Maria Simona, Martina, Paola, Sara.

**WORLD FACTS**

- 25% of women in the world, between 15-49 are raped physically and sexually by their partner or non-partner.
- Till today women are not included in many stuffs as political stuffs.
- In some countries, women also don't have the privilege to have a good health care and healthy food.
- Some women in the world are submitted by **misalloy** cutting in 30 countries.

**ONE TARGET IS**

- The new generations are the main solution to this issue, because they are the future of the world.
- To solve this problem, we should educate young people at school and teach about all the problems of the world, not also about the gender equality.
- There are a lot of types of feminism.
- Those most in force are the sexist and radical one.

**HOW CAN I CONTRIBUTE TO ACHIEVE THIS GOAL?**

1. Work along side woman
2. Stop sexualisation
3. More protection for women

**WHAT CAN WE DO FOR THE GOAL AS A CLASS?**

1. Good education
2. Good teachers
3. Spread awareness with social

**A question I have about the goal is.....**

Why do men do this things?
