

04.03.2022 **CLASS 1N**

After going through the basic rules of writing an article, students **write an article** on the environmental issue of **how plastic harms the environment**. First they watch and **discuss** in class the video *The Growing Issue of Plastic Pollution in Oceans* a TED Talk by Eleanor Elkus here: <https://www.youtube.com/watch?v=qIOhcdbZw3I>
