

## **March\_April work: consumption habits and climate change**

Erasmus+ students' objectives for these months :

### **PROCEDURE:**

The following activities are planned in order to get familiar with the topic we are working in the next meeting in Spain, May 22.

### **INTRODUCTION:**

Raising students' awareness of the impact of climate change on our lives

**TIMING:** March\_April

**Step 1:** [VIDEO tutorial](#) for an interactive map about climate. Start out the interactive map

**Step 2:** Videos about changes in Consumption habits

[CONSUME IN CARE](#)

**Climate Change - our consumer habits have an important part to play**

**Step 3:** Debate in class. We must take pictures or videos

**TOOLS** for Etwinning: **We can upload a few videos, pictures.**

**Step 4:** KEEP ON WORKING ON **creating the interactive map.** Everyone about their country including the information discussed in the previous classes: Consumption habits and changes in life style which are transforming our weather patterns.
