Erasmus+ 2020-2023: Invitation digital teachers meeting

Dear colleagues

We would like to invite you to the digital teachers meeting organized by Sint-Jozef Sint-Pieter Blankenberge. We planned this meeting on Wednesday 21 September from 3PM till 6PM. Below you can find an overview of the digital tools we are going to elaborate on:

1. 3 PM – 3:30 PM: Goodnotes (miss Vicky De Klerck) - Goodnotes is primarily a note-taking app, it allows users to organize notes in virtual folders and notebooks, as well as to import PDF or other document types into notebooks.
2. 3:30 PM – 4:30 PM: Tips and Tricks (mister Björn Carreyn)
3. 4:30 PM – 6PM: BookWidgets (miss Kate Decoster) - BookWidgets is an easy-to-use platform for **creating interactive exercises like exit slips, games, timelines, photo- and video-based activities, and more**. It integrates with other programs like Google Classroom, Canvas, and Moodle. A diverse library of widgets can be used to support all subject areas.

We have chosen the platform Google Meet to meet each other. The link to the meeting will be shared with you later.

Kind regards

Het Belgian Erasmus+ team
