Here you find a list of some of the best practices at our school to promote integration and the idea of unity in diversity considering that our students study Art History and they do not produce artworks.

All these images, videos and a brief description of each project are on Liceo Machiavelli website:

1. project against bullying and cyberbullying, a regular school theatre project. It involves both students and teachers and will end with a theatre performance with teachers and pupils acting together on the stage;

.....a settembre prosegue ed entra nel vivo il progetto

"TEATRO IN CLASSE:

SPEGNI IL BULLO E ACCENDI IL TIMIDO

CON LA FORZA DEL GRUPPO CLASSE"

che coinvolge gli studenti e i docenti in un percorso di formazione.
