

Week 4: February 14-20

Classroom objectives for this week:

1. Reflect on Week 1-3 learning and experiences
2. Hear from Ananya and Ayush, our #GoalsProject Student Ambassadors
3. Create pathways for action

Objective 1: Reflect on Week 1-3 learning and experiences

- Review the work done

Objective 2: Hear from Ananya and Ayush, our #GoalsProject Student Ambassadors

- Ananya's [Week 4 Video](#) and Ayush's [Week 4 Video](#)

Objective 3: Create pathways: Students as Goalkeepers

This week, our work is all about finding lines of connection. Activities this week are designed to help students see how their work and actions connect to the planet and its people.

Diagram the connections of your project and Global Goal to the environment

Create a graphic idea organizer and add in ways your project connects to caring for the planet.
