

Goal n: 4

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Quality education

World facts

About 258 million children and youth were still out of school in 2018, nearly one fifth of the global population in that age group.

Target

Ensure inclusive and quality education for all and promote lifelong learning.

How can I contribute to

You can contribute helping people who are having difficulty understanding this topic

What can we do for the goal as a class ?

- 1- We can talk about the problems of the education in the world in class during lessons
- 2- Hold assemblies at school where the topic in question is discussed

A question I have about the goal is :

How long will it take before we get a good education all over the world ?
