

# #GoalsProject

## January 24 - March 6, 2022

WELCOME WEEK EMAIL

WEEK 1 EMAIL

WEEK 2 EMAIL

WEEK 3 EMAIL

WEEK 4 EMAIL

Sign up now to have your class participate in January 2022.

Open to any classroom, anywhere!

**Step 1**

Watch for an email in early January to meet your team and get your class Global Goal.

**Step 2**

Goals Project 2022 kicks off on January 24th! Celebrate your class Global Goal and start your class project.

**Step 3**

In early March, share your Goals Project with other classrooms to teach about you and your Global Goal.

**Step 4**

Join for the Goals Project Celebration of Learning on March 6th. Make new friends! Learn the goals!

**Step 5**

## Week 3: February 7-13

Classroom objectives for this week:

1. Reflect on Week 1-2 learning
2. Hear from Ayush and Ananya, our #GoalsProject Student Ambassadors
3. Map out your class plan for your Class Goals Project

### Objective 1: Reflect on Week 1-2 learning and experiences

- Check out the video of our [UN HQ Tour](#)

### Objective 2: Hear from Ayush and Ananya, our #GoalsProject Student Ambassadors

- Ananya's #GoalsProject [Week 3 Video](#)
- Ayush's #GoalsProject [Week 3 Video](#)

### Objective 3: Map out your class plan for your Class Goals Project

Check out [past projects for inspiration](#).

Brainstorm your SDG17 Project concept?

We often talk about the Global Goals being a “roadmap” for the future.

Share ways students have used maps, and engage in a discussion on the key elements of maps.

Here are some ways to map out:

[Sketch Your Ideas](#)

## Storyboarding

Each square (frame) can represent a step in the process.

Suggested: 6-10 frames
