

**What book would you recommend?**

**Sharon:** Hi, Eva! I'm going to read a book, but I don't know which one to choose. What's your favourite book?

**Eva:** I think you should read Twilight! It's my favourite book ever!

**Sharon:** What does it talk about?

**Eva:** It tells of a love story between a girl, Bella, and a boy-vampire, Edward: Bella decides to move to Forks, a small town where her father lives. In the new school she meets Edward, a boy that hides a secret. Bella falls in love with him, but initially he refuses to stay with her because he is afraid of hurting her. It's such a fantastic book! You must read it...I'm sure it will take away your breath!

**Sharon:** Mmm...I'm not sure...I don't like stories of vampires but...why not?!... I'm going to read it. I'm curious!

**Eva:** Ok...but I want to read a new book, too. What would you recommend me?

**Sharon:** If I were you, I'd read "Marley and Me"; it's my favourite book! It's a real story set in Miami; it talks about

a dog that one day is adopted by Grogan. When it grows up, it becomes a boisterous dog ; but its family loves it and when it dies, it leaves a gap. On the 3<sup>rd</sup> of April the movie “Marley an Me” will be released!

**Eva:** Really?

**Sharon:** Oh, yes! You should read this book because it’s a nice story and I’m sure it will involve you...

**Eva:** Ok! You have persuaded me...thank you!

**Sharon:** You’re welcome. Bye!

**Eva:** Bye!
